THE ERIE PROGRESSIVE.

The management of the Erie railroad is to be congratulated upon giving Honesdale two new morning trains, namely, one from Scranton and another to Lackawaxen making connections on Sundays with No. 2 on the Main line. The service is needed. There has been for many years a desire on the part of the traveling public to get into Honesdale via Erie mornings. The support given the afternoon Erie Scranton train, which arrives in Honesdale at 3:50 and leaves at 6 p. m., daily except Sunday, undoubtedly led the officials to give the additional train service which the public will enjoy after June 15. The announcement of the change of timetable together with the extra train service appears in a news article on the first page of to-day's Citizen. The Erie knows how to do things right by looking after the public's welfare.

THE COUNTY COMMITTEE.

The Republican county committee which met on Saturday, June 1, for organization was entirely in control of the Progressive wing of the party. This is quite as it should be since that wing of the party so strongly prevailed at the recent primary election. A strong executive committee was named, consisting largely of experienced politicians and representative Republicans. Real and vigorous support by this committee of the Republican candidates in this fall should produce most satisfactory results. The committee did well to retain M. E. Simons as chairman and George P. Ross as secretary. Both are experienced and faithful party workers and will undoubtedly do better service in this important presidential year than would men new to these positions. The resolutions adopted by the committee were in line with the Progressive platform adopted at the Harrisburg convention, that platform being endorsed as a whole. This was to have been expected, and cannot justly be made a cause of complaint, even on the part of those Republicans who do not fully agree with it. It might have been wiser, looking toward party harmony and large and united action at the polls, to have modified to some extent the committee's declarations, but in the flush of victory and new power, great restraint is not to be expected.

The only really jarring note in the entire proceedings is found in the resolution covering the endorsement of the State Convention's plan for quizzing legislative candidates, and the one containing an implied threat that if the party candidates do not swallow the whole Progressive program, recall of decisions included, they will be marked for defeat at the hands of their own party organization. As has already been noted in The Citizen, the Committee of Fifteen appointed at the state convention has decided to abandon the plan of quizzing the legislative candidates, so far as the question of the recall of judicial decisions is concerned, and will probably refrain from quizzing them on other disputed questions which are likely to arouse controversy and cost votes. It is unfortunate that the county committee should not have been equally wise and sought to minimize rather than emphasize party differences.

Nor is it particularly agreeable to all Republicans in the county to read, in the resolutions adopted, that the county committee is to support Hon. H. Clark Jackson, the party's candidate for representative in the legislature, and Hon. W. D.

B. Ainey, the party's candidate for representative in congress only provided "that they support the principles laid down in the platform adopted by the Republican State Convention." We had always supposed it to be the duty of the county committee, after the voters of the party had nominated their candidates, to work for the election of those candidates. We had not understood that it was within the power of the committee to lay down the conditions on which the party candidates were to receive the committee's support, or within the province of the committee to compass the defeat of the party candidates, if they should not choose to subscribe specifically to every article of a party creed adopted subsequently to their nomination. We do not know whether or not Mr. Jackson and Mr. Ainey approve of every plank in the platform adopted at the recent state convention, nor are we interested to know. It is enough for us that the Republican voters of Wayne county have deliberately, by overwhelming majorities, chosen these men as their candidates for these respective offices; and it is our theory and belief that they are therefore entitled to the support of the party newspapers, and still more to the support of the party organization, whether they belong to one wing of the party or another, and whether they subscribe or do not subscribe to new doctrines and theories concerning which the party itself is divided. We trust that the county committee, regardless of resolutions, conditions or new theories, will see fit to support its party candidates in the coming campaign, loyally and enthusiastically for the best of all reasons, that they are its party candidates, regularly nominated and entitled to the committee's unqualified support.

GLASS PLAY DESERVES PRAISE

"The Sophomore" Produced by the Senior Class of the Local High School Last Thursday Night Was Well Received.

The members of the graduating class of the Honesdale High school presented to an enthusiastic audience their class play entitled "The Sophomore," at the High school auditorium on Thursday evening. The performance was a very creditable one and is deserving of high praise by all who attended. The characters were: Robert Stewart, the Sophomore star full-back on the football team; Carl Curtis, "Bud" Kennedy, captain of the football team; Warren Smith, "Kink" Banister, Vincent Carroll.

Sophomores—"Reddy" Sims, William Dein, "Buster" Brown, Manager of the team, Deroy W. Kreitner, Livingston, head coach, Raymond Sanderoock, Prof. Alden, M. A. B. B., Professor of Physics, Thomas Kilroe, Hope Alden, his daughter, Miss Parady.

Relatives of Alden's: "Aunt Mary" Scott, Mary Rippel; "Cousin Matilda," Dwiglins, Mary Bracey; Violet, servant of Alden's house, Miss Agnes Murray.

The first act began with a scene in the Physics class room of Lakeville University where Stewart, the star football player falls in his lesson and incidentally falls in love with the professor's daughter, Hope Alden.

Act two was a scene in Prof. Alden's house and Stewart's friends peruse the examinations for him, but he declines to use them, but is misjudged by Hope Alden, who thinks he did use them and consequently is very angry with him.

In act three, the last act of the play, the game is in progress. This act opens in the office of the Athletic association overlooking the field where the game is in progress. On account of Stewart's failure to pass in his exams he is not allowed to play and the University team is being defeated. The climax comes, however, when the professor is found and allows Stewart to go in and win the game in the last half.

The last week of graduation is a strenuous one for the class and their creditable performance reflects much credit upon them, for their constant rehearsals to bring themselves to degree of perfection, taking the piece partially out of the class of an amateur production.

The New Wife.

Hubby—My dear, won't you sew on a button for me before you go out?

His New Wife—The cook may possibly do it for you. But please bear in mind you married a typewriter, not a sewing machine.

HONESDALE WINS FROM SCRANTON

In a Loosely-Played Game Here Saturday Locals Defeated West Side Spauldings 7 to 8—Errors Costly.

Manager Farr, of Scranton, brought over his West Side Spauldings on Saturday and the locals defeated them on the home grounds in a very loosely played game, the climax of which was made interesting by the timely batting of the home boys in the ninth inning. Sandy's stick work and the good work of Weaver and Mangan featured in the game. Bredenstein, the new recruit, was in the box for Honesdale and this is his first appearance on the regular team. He is a youngster of some ability and future but in experience he is somewhat lacking. Consequently his wild ones were costly to Honesdale while his speed held the visitors down to six hits. Early in the game things began to look doubtful for Honesdale when Bredenstein hit Reese and Fenton, in the third inning. A sacrifice fly to Jones moved them around one and when Farrell landed on the ball for a two bagger there were three scores tallied up against the locals. Again in the seventh three more were scored by the visitors by a base on balls, a hit and a few errors by Bredenstein and Weaver. By a safe hit in the eighth two errors and a sacrifice the visitors brought in their last score.

In the fifth inning the Honesdale boys began to hit the ball with a vengeance and when the visitors, Carte, Fenton, Morgan and Farrell began to juggle the ball a hit by Bredenstein resulted in three scores. Again in the eighth with two out, safe hits were turned into scores by Sandy, Mangan and W. Polt. In the ninth inning when nearly all the Honesdale fans had given up hope of pulling away the honors, the winning score was made by Fenton's error, hits by Paatz and Schilling.

After it was all over and the three official score keepers had announced the verdict some of the Scrantonites contended that only eight innings had been played and wanted to play the other inning before they would acknowledge themselves beaten. They were finally convinced of their error however and the game resulted in the following score:

Table with columns for HONESDALE and SCRANTON, listing players and scores. Honesdale: Dudley 2, Paatz 1, Schilling 0, Weaver 0, Sandy 1, Mangan 1, W. Polt 2, J. Polt 1, Bredenstein 1. Scranton: Reese 2, F. Egan 1, Mallot 0, Carte 1, M. Egan 0, Fenton 1, Morgan 1, Jones 1.

The crowd at Saturday's game was very small, too small in fact to pay the actual expenses of the game. It costs money to keep a base ball team here and it also costs money to get the very best teams to come here to give exhibition games. If more of the people of Honesdale who contend that they want the base ball games to continue would realize this, base ball would be a more sure proposition for Honesdale. Without the support of the public the boys who give their entire time to the game, cannot continue to do so.

NOTES.

The Honesdale team journeyed to White Mills on Sunday where they were defeated by the team of that place by a score of 12 to 7. John Tuman, who was recently given a try-out with Scranton, and later sent to White Mills, played in the game for White Mills. The home team had to shift their lineup on account of the absence of Weaver. Mangan played first, Tarkett second, W. Polt short, and J. Polt third. Frank Schilling pitched for Honesdale, and John Smith for the "Millers." White Mills has a good team of seasoned veterans.

Another Honesdale Boy Honored.

A few weeks ago we announced the honor which fell to Florence Dunning, son of Mr. and Mrs. Eugene Dunning, of Ninth street, in that he stood at the head of his class, being a graduate of State College. To-day we take like pleasure in announcing to William J. Donnelly's friends that he was graduated from the Medical-Chirurgical college, Philadelphia, dental department, at the head of his class on Friday evening last. He was president of his class, stood highest and received highest class honors. At graduation exercises he was presented with a gold medal for highest general average at final examinations and also cash prizes. Dr. Donnelly is a studious young man and will make his mark in the world while in Philadelphia he has lived with John (Smiler) Clark, who has a lucrative practice in the Quaker City.

In reporting the exercises the Philadelphia Record of Saturday said: "In spite of the recent restrictions of the Medical Board of Licensure, making this state one of the hardest in the country in which to study medicine, the Medical-Chirurgical College yesterday graduated the largest class in its history. At largely-attended commencement exercises held in the Academy of Music no less than 165 students were granted degrees in medicine, dentistry and pharmacy."

OBITUARY.

Death of Mrs. Paulina Skinner.

Mrs. Paulina C. Skinner, a native of Honesdale, died at her late home in Carbondale Friday night, aged 57 years. She had been a resident of Carbondale for the past 25 years. She lived with her daughter, Mrs. A. J. Opie. Another daughter, Mrs. Charles Van Sickle, of South Canaan, also survives. Besides three sisters and one brother, namely, Mrs. Fred Erhardt, Girland; Mrs. Ida Lewis, Honesdale; Mrs. Philip Rotterman, of Jubilee; Christopher Blockberger, Girland. The funeral was held on Monday.

Mrs. Sylvester Delaney Dead.

Mrs. Sylvester Delaney, a former resident of this county, passed away at her late home in Carbondale on Thursday night, June 6, at the age of sixty-five years. Mrs. Delaney had been a resident of Carbondale for the past five years and during that time she had made many friends. She formerly lived at Canaan, where she also has a host of friends who will mourn her loss. Death was due to general debility. She is survived by her husband, and the following sons and one daughter: Dr. Martin Delaney, of Washington, D. C.; Attorney E. A. Delaney, of Carbondale; Thomas Delaney, of South Dakota; John Delaney, of Oklahoma; Sylvester Delaney, of Pittsburgh; William Delaney, of Olyphant, and Mrs. Mang, of Carbondale.

Death of Mrs. Coleman.

Mrs. Sarah Jane Coleman, wife of C. H. P. Coleman, and mother of Eugene Coleman, of this place, passed to the great beyond Monday morning at her home in Uniondale. She passed away peacefully after an illness of several weeks of intense suffering, which she bore calmly and contentedly, impressed with the hope of entering that land where sickness and sorrow are unknown. Mrs. Coleman, whose maiden name was Tulck, was a native of Pike county. Fifty-six years ago last Christmas she was united in marriage to the one who is called to mourn the departure of a faithful wife and companion. To this union they were blessed with six children who survive: Grace, a resident of California; Douglas H., of Uniondale; Eugene, of Honesdale; William, of Dundaff; Harry and Charles, of Uniondale; Mrs. E. B. Carpenter, of Ballard, Wash. The deceased was quiet, unassuming and believed that the household was the realm in which to make others happy.

Safe and Sane Fourth.

(Scranton Truth.)

Honesdale, I notice, is among the cities agitating a safe and sane Fourth of July. From what has been printed about it in the Wayne county papers I gather that considerable liberty has always been allowed in that town in celebrating America's natal day. The Citizen remarks: "We are glad to learn that the majority of the people of this fair and beautiful Maple City are of the same opinion and most earnestly desire that we continue to advocate a safe and sane Fourth. Would it not be better, and wiser, too, for that matter, to spend the anniversary of the Declaration of Independence with your family alongside a woodland brook, where nature speaks forth in all its glory, than to have your son become injured by the explosion of a dynamite fire cracker or get powder burns from a cannon." This puts the case nicely and poetically, too, and will no doubt do much to help the cause of reform along in Honesdale.

Pastor Gives Few 'Don't's' For Wives.

Cleveland, June 6.—A few "don't's" for wives were given by the Rev. Dr. W. W. Bustard, pastor of the Euclid Avenue Baptist church, in his sermon Sunday night. Some of them follow:

Don't marry a man for a living, but for love. Manhood without money is better than money without manhood.

Don't overdress or underdress; common sense sometimes is better than style. A wife with a hobble skirt and a husband with patched trousers make a poor pair.

Don't tell your troubles to your neighbors. Fight it out with your husband, if it takes all summer.

Don't nag. The saloonkeeper is always glad to welcome your husband with a smile.

Don't forget that home is woman's kingdom, where she reigns as queen. To be the mother of a Lincoln, a Garfield, a McKinley is to be the mother of a prince.

Sacrificed to Reform.

"You have abandoned the picturesque custom of crowning a queen of the May?" "Yes," replied the merry villager; "we had to give it up. There got to be so many candidates and so much campaigning that politics left us no time for business."

Catarrh of Stomach

Indigestion and Stomach Agony Quickly Ended.

If you went to thirty doctors and paid each his fee for a prescription for indigestion or stomach misery it is ten chances to one you wouldn't get such a good prescription as the one from which MI-O-NA stomach tablets are made.

How can such a thing be? you naturally ask. Simply because the man who wrote the prescription from which MI-O-NA tablets are made knows more about stomach diseases than 96 per cent. of all the physicians in America, and he gets paid for knowing.

And when you can get a large box of tablets made from this doctor's prescription for only 50 cents, are you going to continue to suffer? Sold by G. W. Well, the druggist, and druggists everywhere.
